Prologue

Welcome home, Good Hunter.

I am a doll, here in this dream to look after you. Honorable hunter, I am beholden to you for your trust and encouragement towards this project.

In these pages, you'll find the work of 36 artists who have poured their souls into their passion for Yharnam nights and their inhabitants, creating wondrous pieces of art. Let yourself be guided by the most fierce hunters of all time and confront the hunting of the beasts with the strength given by paleblood. I sense the ancient echoes that course your veins, so may you be granted with the gods' presence through this unique path made for you. I pray you find meaning and comfort during this experience. Good Hunter, I only beg you to consider this: to back the artists through their own journey and to enjoy their upcoming brand new projects.

Farewell, Good Hunter.
May you find your worth in the waking world.
